

# BASELIGHT MX SERIES

The Baselight MX series represents the worlds most advanced portable all-in-one area lighting system. It relies on an automated, digital mast system controlled by an onboard computer. Timer functions, automatic height to wind speed, over the air software updates, smart phone control.

## Baselight 420MX

Lumens	65 000 Dimmable
Armature type	LED High Power
Watt	20-420
Height	12m-4.3m
Weight	45Kg
Width	0.4m
IP Rating	65
Digital mast	Yes
WiFi remote	Yes
Socket type	CEE 16A
Voltage	110/230VAC

## Baselight 600MX

Lumens	95 000 Dimmable
Armature type	LED High Power
Watt	20-650
Height	12m-4.3m
Weight	47Kg
Width	0.4m
IP Rating	65
Digital mast	Yes
WiFi remote	Yes
Socket type	CEE 16A
Voltage	110/230VAC

# BASELIGHT X SERIES

The Baselight X series represents the worlds most advanced portable all-in-one area lighting system. It relies on a manual mast system in a true light weight design. The X-series has its focus on simplicity and comes in three different versions: 320X, 420X and 600X.

Lumens	45 000 Dimmable
Armature type	LED Pan/Tilt
Watt	20-420
Height	12m-4.3m
Weight	33Kg
Width	0.4m
IP Rating	65
Digital mast	No. Manual
Socket type	CEE 16A
Voltage	110/230VAC

## Baselight 320X

## Baselight 420X

Lumens	65 000 Dimmable
Armature type	LED High Power
Watt	20-420
Height	12m-4.3m
Weight	35Kg
Width	0.4m
IP Rating	65
Digital mast	No. Manual
Socket type	CEE 16A/Schuko
Voltage	110/230VAC

## Baselight 600X

Lumens	95 000 Dimmable
Armature type	LED High Power
Watt	20-650
Height	12m-4.3m
Weight	37Kg
Width	0.4m
IP Rating	65
Digital mast	No. Manual
Socket type	CEE 16A
Voltage	110/230VAC

# BASELIGHT MIL SERIES

The Baselight MIL series is a military adapted version of the advanced MX series. It features olive green chassis, higher degree of surface protection and stricter EMI protection. It also features an optional Infrared LED head.

# BASELIGHT 200X

Once again Prime Design reshapes the way we work with light.

Take any tripod of choice and stick the Baselight 220X to it. In a matter of seconds you have a flexible, high power LED area lighting system. The strong aluminium case of the 220X doubles as the transport protection for the LED head as well as being the control panel and power supply, well above ground. The 220X uses the new "pan-tilt" LED head from the Baselight 320X.

Lumens : 45 000 Dimmable  
Watt : 320W max  
Weight : 12 Kg  
IP Rating : IP65  
Socket type : CEE 16A  
Voltage : 110/230VAC

**NEW!**

# PRIME LED112

This is one of the worlds most powerful LED floodlight with multiple attachment functions built in. 16 000 Lumens, 3.5 Kg makes extremely useful for many different applications where a compact format is required. It is built with crush proof plastic, watertight and a foldable back stand that also support a magnet.

Lumens 16 000 Dimmable  
Watt 110W max  
Weight 3.5 Kg  
IP Rating IP65  
Socket type Type-F  
Voltage 110/230VAC

# BASELIGHT ACCESSORIES

Quick "Snap-on" terrain wheels for traversing rough terrain. Puncture free & low weight.

Rugged military style transport case with ergonomic handles for multi person movement

2 kWh Lithium battery pack with AC voltage output in a rugged and waterproof case

Integrated 4G real time camera with speaker and microphone for two way communication

Color lens kit for law enforcement and fire brigades.
